ONE-PAGE SUMMARY

Fabrikam turns idle truck space into same-day freight

Fabrikam Freight

02 Every third truck on the road is driving with empty space

03 Shippers book spare space in minutes and it moves the same day

04 Regional part-load freight is a €14B market in our first three countries

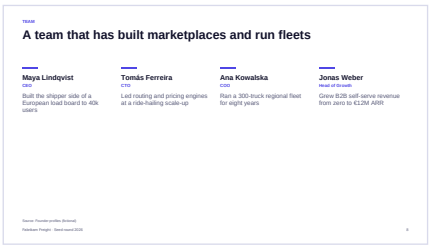

05 Monthly bookings grew eight-fold in nine months with no paid marketing

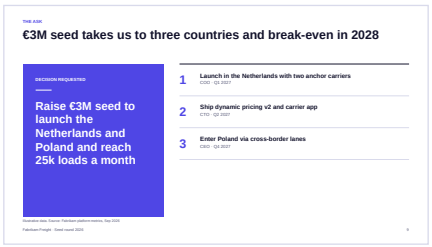

06 We are the only player that is both instant and built for small shippers

07 Each load earns a 21% take rate and pays back acquisition in two months

08 A team that has built marketplaces and run fleets

09 €3M seed takes us to three countries and break-even in 2028
